

Cavalli Club desired to increase their customer reach and interaction in the digital world, INGC fulfilled this requirement with a user-friendly app.

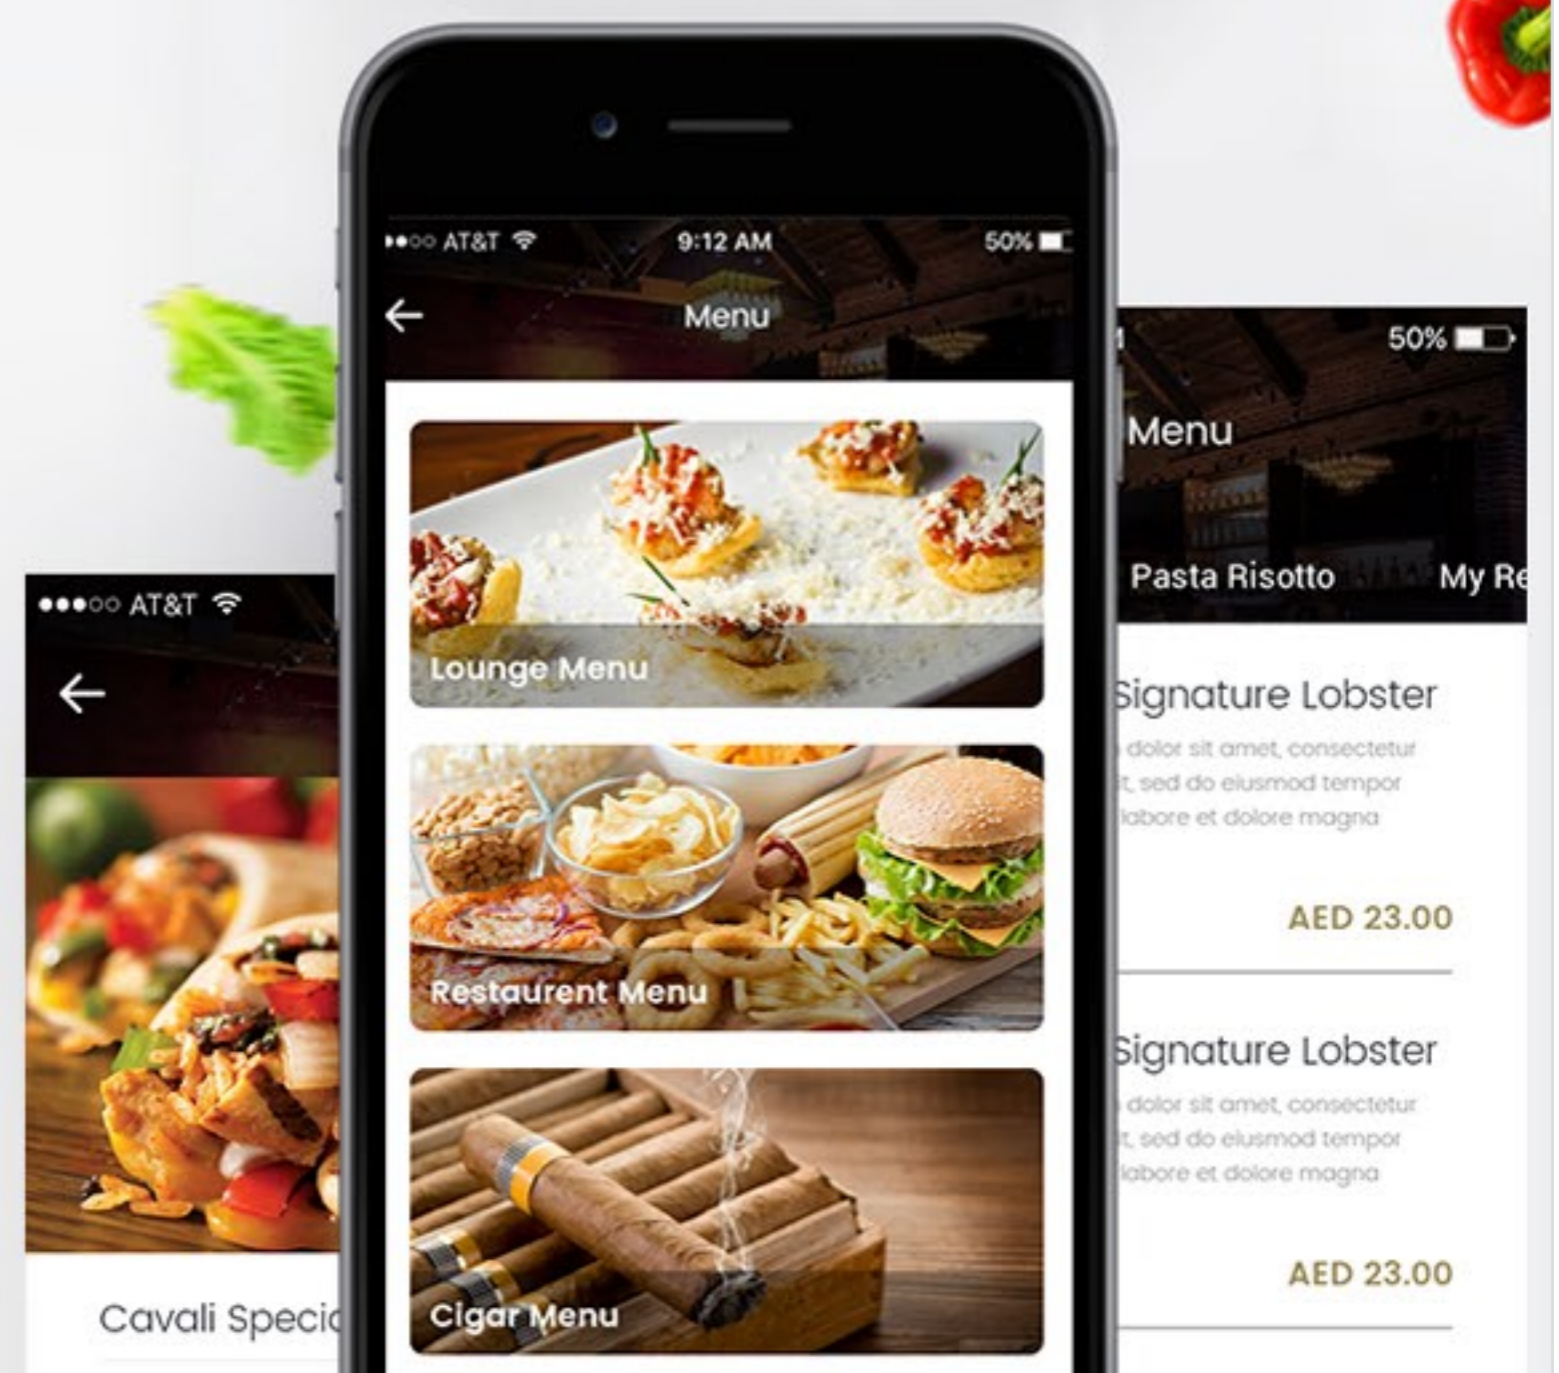

## PROJECT OVERVIEW

Cavalli Club a well-known name in the field of night clubs and fine dining approached us for the development of their information app.

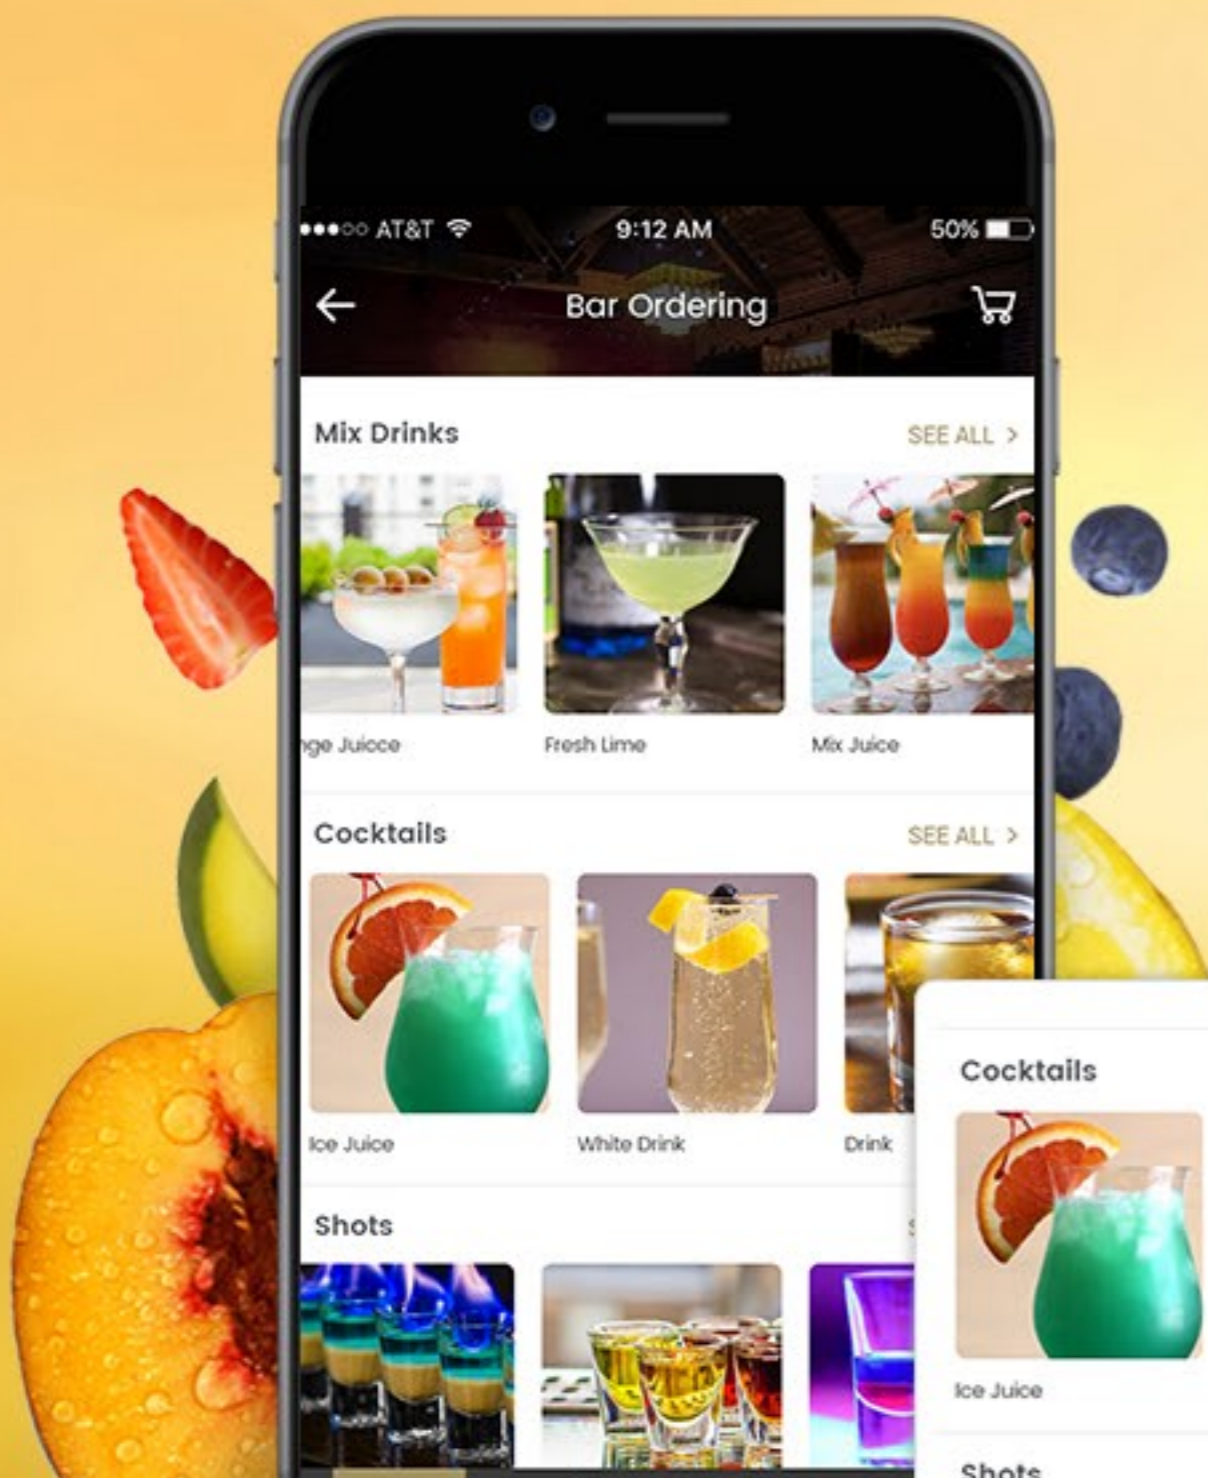

## COMPREHENSIVE INFORMATION

The app inculcated complete data about the club, the restaurant, the bar and any upcoming event. The wide-ranging app catered to every form of information a customer might require.

## RESERVATION DETAILS

Every visitor to the app will have the convenience of making a reservation of the club or the restaurant through the app. The main purpose of the app to provide the ease of access to every facility and amenity is accomplished successfully.

## MODERNIZED APP

The innovative app expedites every customer's experience with robust interface and convenient usage.
