

Porsche wanted to increase customer interaction via a quiz app and hence Team INGIC did the job helping them achieve it.

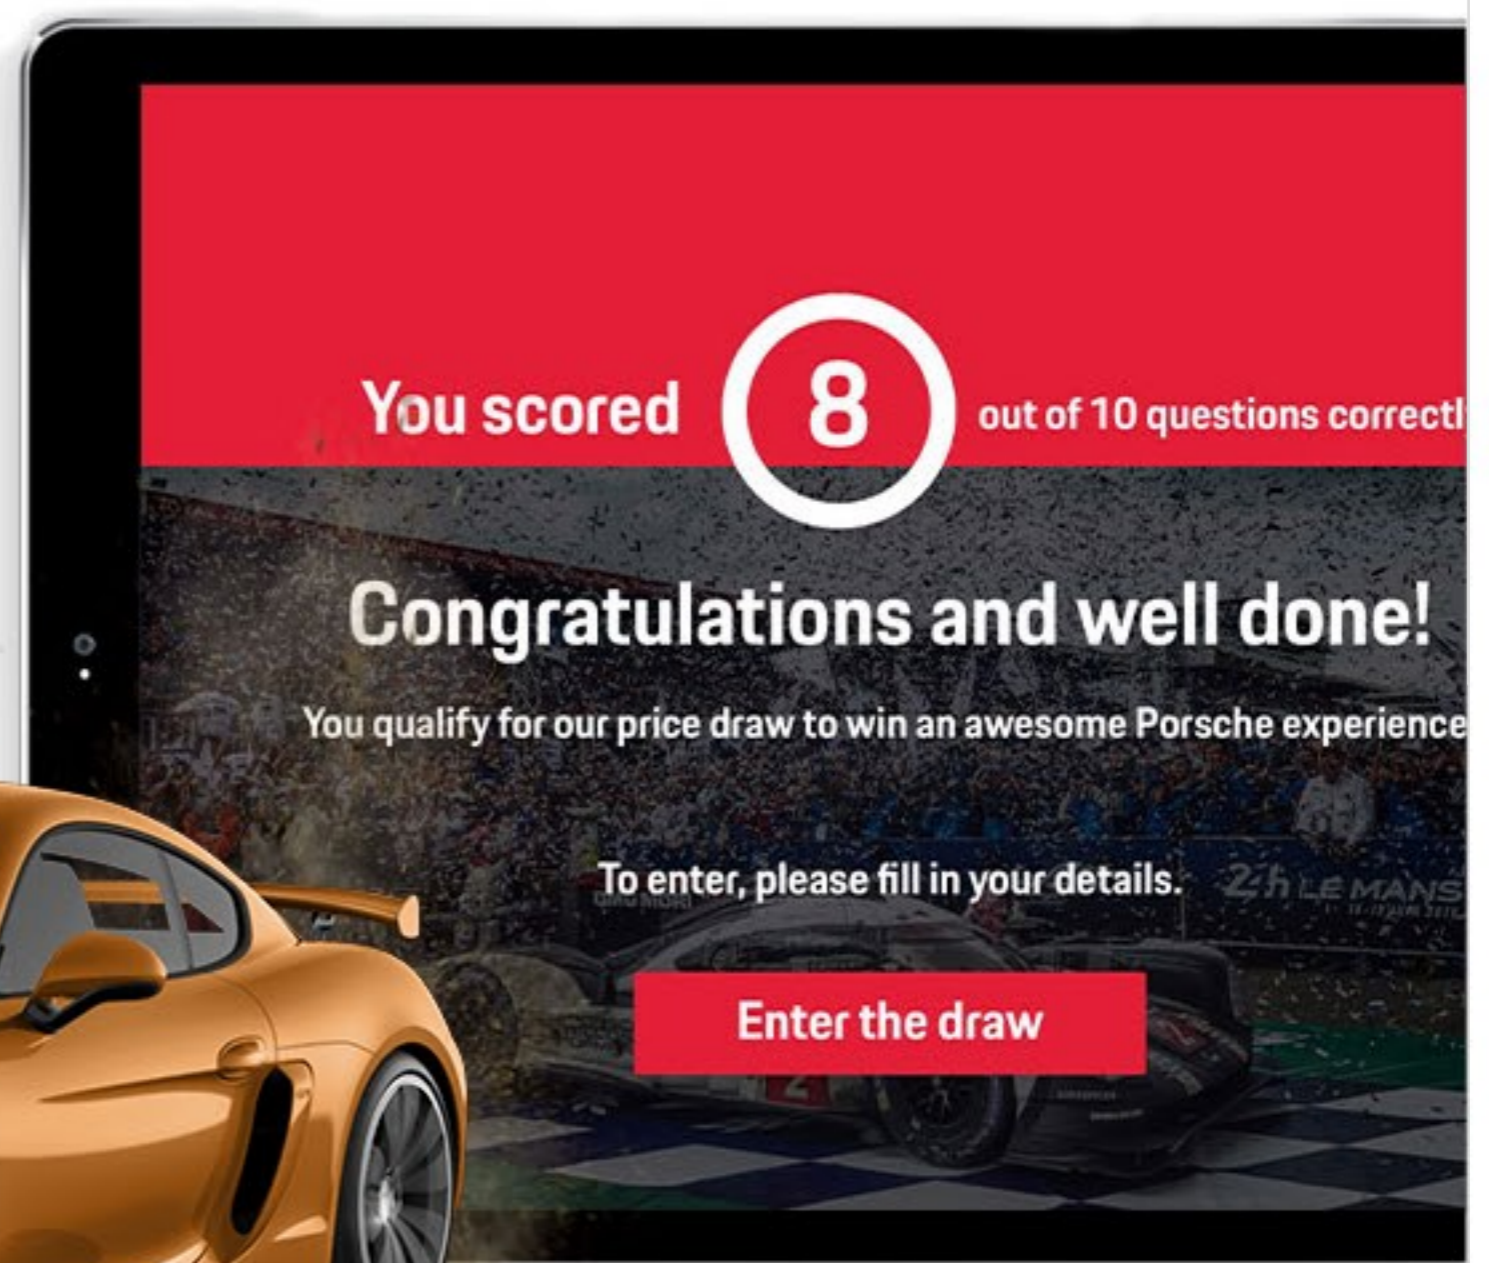

PROJECT OVERVIEW

The prestigious client Porsche wanted a quiz app to reach to its clients with enhanced connectivity and our specialized team assisted them to reach the target.

BRAND RECOGNITION

Though Porsche is a well renowned name in the automobile industry but being a huge brand it overwhelms the potential or new customers. The central purpose of the app was to augment the brand awareness among the users so that they can feel more informed and up to date about the brand.
